Brilliant three-part vocal harmonies performed by (you got it!) "Lady Bug-Singers" crown the bright and lively songs performed by this talented and versatile musical troupe.

Featuring electric guitar, piano, chapman stick, electric bass, drums and percussion, this animated and inspiring troupe ranges broad musical boundaries, creating contagious grooves drawn from reggae, blues, jazz and swing as well as "pop-corn rock and roll music"! You can't help yourself! You clap along! Look at you, you're dancing!

Bright costumes, fun stage props, song-related skits, contemporary musical references and excellent good humour complete the fun-for-everyone show. The Time Flies Musical Troupe's wacky blend of pop-rock and unique personalities inspire your inner (and outer!) child to sing, dance, laugh and enjoy a whole lot of FUN!
